

PRANAV KHATAVKAR

Python & Full-Stack Web Developer | Android Developer | AI/ML Enthusiast

Phaltan, Satara, Maharashtra | +91 9405529875 | khatavkarpранав75@gmail.com | [LinkedIn Profile](#)

PROFESSIONAL SUMMARY

Detail-oriented Information Technology undergraduate with a strong foundation in Python, full-stack web development, artificial intelligence, and Android development. Diploma graduate in Computer Science Engineering with academic distinctions, leadership experience, and hands-on project delivery. Skilled at building scalable web applications and AI-powered solutions, with a consistent record of quick learning and cross-functional collaboration.

TECHNICAL SKILLS

Programming Languages: Python, Java, JavaScript, SQL

Web Technologies: HTML5, CSS3, Flask, Django

Databases: MongoDB Atlas, SQLite, PostgreSQL, MySQL

Artificial Intelligence: Machine Learning, Natural Language Processing, Deep Learning (Foundations)

Tools & Platforms: Git, GitHub, Android Studio, VS Code, Linux

PROFESSIONAL EXPERIENCE

Python & Android Development Intern — ProAzure Software Solutions, Pune

- Developed Android applications using Java, contributing to feature design and implementation.
- Built and debugged Python applications, improving code reliability and performance.
- Collaborated with cross-functional team members throughout the software development lifecycle.

PROJECTS

EduNotes — Android-based Student–Teacher Collaboration Platform

- Designed a resource management system enabling communication, assignment sharing, and notice distribution between students and teachers.

EMS.PRO — AI-Powered Enterprise Management Suite

- Applied Machine Learning, NLP, and Deep Learning concepts to automate enterprise workflow processes.

FlaskAuthPro — Secure Authentication & User Management System

- Built a Flask-based system covering registration, login, password encryption, profile management, and session handling.

Fintellect — AI-Powered Expense Tracker

- Developed a Django application using ML and NLP for automated expense categorization and financial insight generation.

EDUCATION

Bachelor of Technology, Information Technology

2025 – Present (Expected 2028)

Government College of Engineering, Chhatrapati Sambhajinagar (GECCS)

Diploma in Computer Engineering

2022 – 2025

Navsahyadri Education Society's Group of Institutions (NESGI), Pune

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

- Co-Secretary – HackSlash Development Club, IT (GECCS)
- Academic Coordinator — Association of Computer Engineering (ACE), NESGI.
- Official Website Developer — FUSIONX2K26 Techfest, NESGI (fusionx2k26.netlify.app).
- Advertising Team Head — FUSIONX2K26: Led promotional campaigns and designed branding materials including logos, flexes, banners, and posters.

ACHIEVEMENTS

- Gold Medallist (Final Semester), Final Year Diploma in Computer Engineering.
- Silver Medallist (Fifth Semester), Diploma in Computer Engineering.
- Raising Star Award (Outstanding Academic and Technical Performance), Diploma in Computer Engineering.
- First Prize, Coding Competition.
- Third Rank (Third Semester), Diploma in Computer Engineering.

CORE STRENGTHS

Problem Solving • Leadership • Team Collaboration • Quick Learning • Time Management • Analytical Thinking • Adaptability
